Food Bank Collections for Glass Door, St Cuthbert's Centre Dad's House Food Bank

I was hungry and you fed me...

Please help us to help those who struggle to feed their families or themselves, by donating food or other domestic basics. We are looking for cans, tins and packets of food, as well as toiletries and other personal hygiene products. Bring them along to St Mary's and place them in the box under the table at the back of church any day of the week. We will make sure they go to the right place each week.

We can supply a shopping list for your convenience.
